DETAILED ACTION

Allowable Subject Matter

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance: prior art does not teach nor render obvious a directional coupler that has, in combination with other limitations, a subline provided on a common plane with said main line, the subline being electromagnetically coupled to said main line along a portion where said main line and said subline oppose each other, wherein a self-inductance value of said main line is smaller than a self-inductance value of said subline, neither does it have a subline that is electromagnetically coupled to said main line along a portion where the main line and the subline oppose each other, wherein a line width of said subline is narrower than a line width of said main line, and a self-inductance value of said main line is smaller than a self-inductance value of said subline.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Patricia T. Nguyen whose telephone number is (703) 308-1927. The examiner can normally be reached on 6:30 AM - 5:00 PM.
